

# THE FIRS CARE CENTRE

*Caring for you*

HALCYON

The perfect location and friendly environment...

The Firs Care Centre is in a great central location. Close to all local amenities with a regular bus route and a train station within walking distance. We also have our dedicated GP practice round the corner. We have built close professional relationships with our local GPs. These GP's give exceptional care to our residents and take the time to get to know them. At The Firs Nursing home in Taunton, we have lots of professionals visit our home with whom we form close working relationships. They assist in keeping everyone healthy and looking their best! For example, we have an in-house hairdresser, a regular Chiropodist, and a physiotherapist. We form close connections with a full range of health professionals to ensure the health and well-being of our residents.

We source from local providers all our fresh vegetables and dairy products. Lots of choices come from being in the large farming county of Somerset.

You need not be alone at The Firs. You will meet new friends and have the opportunity of joining in with the regular activities and entertainment. Visitors are welcome at any time and the home is very much involved with the local community activities. We aim to treat everyone as an individual with dignity, respect and encourage them to make the most of their stay with us.

Registered nurses are on duty throughout the day and night, supported by well trained care assistants. All staff participate in the home's training programme and personal development scheme.

Meals are served in the dining room and can be taken in your own room should you choose. Individual diets and personal preferences are catered for.

## Activities

We believe it is important to keep active and to make the most of every day. Events at The Firs include visiting singers and entertainers, a weekly programme of varied activities, bingo, crosswords & quizzes, craft sessions and outings are arranged to places of interest.
